INTRODUCTORY STATEMENT

Hello, my name is and I am working with Uganda Bureau of Statistics. We are conducting baseline data collection for the Parish Development model. We are visiting each and every household in the country collecting information about individuals and the homesteads they live in and any other relevant information. It takes about 20 minutes to complete the interview. Whatever information you provide will be kept strictly confidential. We would very much appreciate your participation and co-operation in this exercise.
